Director of Disability Action Center,  
for taking time to take measurements  
and inform our access plan to ensure  
our facility is designed for ease of  
use by all customers and visitors.**

**Advisory Meeting**

**March 4, 2020**

**3PM**

Asotin County has gone deep into school-to-work this year, and we invite input from Asotin County residents, especially students, families, agency and school personnel who work with students age 14 years old and up. The school- to -work program targets students with barriers to employment or continuing education, including with disabilities, experiencing homelessness, or other conditions that require interventions for success beyond high school.

This partnership project with Clarkston High School is supported through a grant to Asotin County by the Washington Developmental Disabilities Administration (DDA). Funding for support for students comes from contracts with DDA, Division of Vocational Rehabilitation and Foundational Community Supports.

Please plan to enjoy the meeting on March 4 at 3PM. There will be lively discussion, yummy cookies and a chance go give input into our strategic plan for the 2020 -2021 program years.

**Volunteer for Spring Activities!!**

**(509) 758-3181**
